How to Contribute

As a Global Impact Partner, you are able to contribute to any of our publications at any time. (Placement will be served on a first-come, first-served basis.)

To submit, please send your article, author headshot, author title, author organization, and URL you would like us to link to to marissa.hill@myscrs.org

Promotion

In addition to being shared on the SCRS website, we promote all publications through our email database of 17,000+ subscribers and our social media channels with 16,500+ followers.

We will also share a link or PDF of your contribution to share with your network.

Opportunities for Site-Focused Thought Leadership

Publication Name	Frequency	Article Name	Topics/Description	Average Word Count
InFocus Newsletter	Monthly (except March, June, September, December)	Successful Techniques for Accelerating Recruitment (STAR)	Recruitment is one of industry's most significant hurdles. Share forward-thinking strategies to support sites in addressing these obstacles and achieving enrollment success.	350-650
		Metrics That Matter	An in-depth review of current key metrics that impact sites.	
		Site Spotlight	Innovative and exciting stories of site success and achievement, spotlighting a particular site. Content should focus on education and be helpful for all sites.	
		SCRS Connects	An interview with industry leaders discussing the biggest issues facing sites today, innovative solutions to these issues, and what drives your passion for the industry.	
SCRS Talks	As requested	SCRS Talks	15-30 minute podcast interviews to provide insight into key industry topics, current events, new perspectives, and exciting opportunities. Submit a short proposal at the link.	Podcast
InSite Journal	Quarterly (March, June, September, December)	Site Perspectives	Site perspective on recruitment, budgeting and other key issues.	500-1,200
		Tech Tips	Practical advice on training, understanding and utilizing technology in clinical trials.	
		Ask the Auditor	A review of legislative changes, legal matters, compliance issues, and anything relating to the legal documents and bodies that govern clinical research sites and the matters that impact them.	
		Guest articles (1-3)	Articles on ANY topic that sites can benefit from. Avoid opinion pieces and promotional content. We can also repurpose excerpts from white papers, webinars, or other content.
